Secrets From Behind The Chair

Why spend money for a shrink if you have a great hairdresser?

After serving women for 30 years as a hairdresser and makeup consultant, Cherie Jobe has stepped up to the speaking platform, and is telling the secrets she's been sharing from behind her salon chair. Secrets that help women to be content, peaceful, and strong even in difficult times, and full of hope.

Cherie has felt the deep hurt of being an unwanted child and has lived the secret life of an abused wife. She was a single mother for eight years. Cherie tried the lies that promise to fill the emptiness, but in reality take women lower and lower into depression and feelings of worthlessness.

When Cherie was willing to make radical choices, the result was a brand new confidence and a freedom to be herself. Cherie is now happily married to Jim and they reside outside Nashville Tennessee, but her true sense of identity and fulfillment comes from her relationship with Jesus .

Cherie offers hurting women compassion, comfort, and practical liberating counsel, using her own mistakes and successes as examples. Cherie can help you claim your true identity in Christ.

As a makeover consultant, Cherie enjoys teaching women how to complement their unique features and physical beauty. Let Cherie help you discover and celebrate who God designed you to be.

"I give my whole-hearted endorsement to the speaking ministry of Cherie Jobe. Cherie has overcome some real challenges in her life and is thus able to relate with women facing some of life's most difficult circumstances. Cherie is both called and gifted"

David Benjamin, Pastor, Kings Cross Church

"Beauty is more than skin deep and Cherie Jobe knows first hand how to obtain it. Cherie's inner beauty is evident from the moment you meet her. By looking at her, no one would ever know her childhood was less than lovely or that her previous marriage was extremely abusive.

Kathryn Robbins, Nationally Known Speaker

"Cherie has a way of putting things into terms I can understand, giving practical and relevant examples that I have not always thought about before. God has certainly equipped her for teaching, writing, and speaking His Word. Cherie is a very dedicated Christian and truly walks her walk to match her talk."

Sherian Oakley, Christian Humorist

"Cherie's stylist chair has been a "haven" of rest and her shampoo bowl a "fountain of blessings" in my life for almost 30 years. Her God-given talent as a hair-dresser is only one of the unique and outstanding gifts which He has placed in her life. Cherie's wonderful ability to minister to her clients and friends by listening, encouraging, and loving unconditionally, has strengthened those around her.

Karen Thrasher, Personal Friend

"I was blessed to walk with Cherie, as she truly discovered Christ, not with her head, but with her heart, and began to walk with Him each day. Her passion for Christ is enhanced by her willingness to be vulnerable. By sharing where she was before Christ, she helps others to see where they can be in their relationship to Christ. Cherie will challenge you!"

Phillip Barnett, Pastor, Haywood Hills Baptist Church
